Total Non Fundable					66,338,018		91,430,519

Priority List Notes:

- 1) Available ARRA funds based on Vermont Allotment of \$19,500,000 less \$2,145,000 withheld for DWSRF set-aside use.
- 2) Partial funding available for project 46.
- 3) Eligibility determinations have not been completed for all projects on the list.
- 4) Interest rates and disadvantage subsidies are preliminary determinations only.
- 5) Applications received for ARRA funding will also be ranked on the 2009 Construction Priority List.
- 6) The priority list will be amended by August 17, 2009 to show 20% of the total funds being allotted to Green Infrastructure projects.
- 7) Projects that applied but have anticipated project start dates later than March 1, 2010 are not ranked on the priority list. We reserve the right to add these projects to the priority list should they meet readiness to proceed criteria and funding is available.
