Priority List Notes:

- 1) Available ARRA funds based on Vermont Allotment of \$19,500,000 less \$2,145,000 withheld for DWSRF set-aside use.
- 2) Since project No. 42 is partially fundable, amount shown above is balance needed up to the \$2M loan cap.
- 3) Final eligibility determinations will be made at time of loan application review.
- 4) Interest rates and disadvantage subsidies are preliminary determinations only.
- 5) Applications received for ARRA funding will also be ranked on the 2009 Construction Priority List.
- 6) Projects that applied but have anticipated project start dates later than March 1, 2010 are not ranked on the priority list. We reserve the right to add these projects to the priority list should they meet readiness to proceed criteria and funding is available.
