

**OPERATING PERMIT APPLICATION
FOR A PUBLIC WATER SYSTEM**

Directions: Complete and submit this application with the information listed below so the Division may determine whether the facility and its operation will comply with Subchapter 21-5 of the Vermont Water Supply Rule.

Water System ID Number _____

Water System Name _____ in the City/Town of _____

Action Requested (select one):

New Water System - Permit Request

Existing Water System - New Owner, Permit Request

Existing Water System - Permit Renewal

Existing Water System – Permit Amendment Request

A Complete Application Must Include the Following:

- Operating Permit Application for a Public Water System completed and signed by the water system's owner(s)
- Updated Water System Officials Contact Form (<http://www.vermontdrinkingwater.org/permits.htm>)
- Description of all water system improvements completed since the last sanitary survey inspection, and a proposed implementation schedule and plan by which the Water System will resolve any remaining deficiencies.

I _____ (print name), _____ (title), hereby certify that the statements and representation made in this document are true and accurate to the best of my knowledge and that I am the owner or have the lawful authority to sign this document on behalf of the owner. I am applying on behalf of the water system for an operating permit for a public water system. I consent to employees of the State of Vermont to enter the subject property and conduct all necessary inspections for the purpose of processing this application.

Owner's Signature _____ Owner's Name (Please Print) _____

Date _____ Phone Number(s) _____
